COURSES OFFERED

B. Arch

BACHELOR'S DEGREE IN ARCHITECTURE

Our five year B.ARCH programme provides a stability of theory, design work and professional experience.

Broad-based thoughtful understanding of Architecture is achieved with the help of classroom lectures/ seminars and studios. You'll be skilled by specialists and experts who are at the forefront of their relevant fields.

Your journey in design includes application of knowledge in the studio through a series of design projects of increasing scale and complexity, leading to thesis design in the final year, which covers a range of conceptual, representative, cultural, and technical designs.

We have a strong design studio culture which acts as a laboratory for training your creative and critical ideas and for developing fundamental architectural skills. Group tutorials offer sharing of ideas, review other students' work and initiate the development of your personality as an Architect.

Faculty of Architecture formulates our studios, bringing with them industry ideas and skills from the Architectural practice realm and in-depth inquiry from research and development.

M. Arch

MASTER'S DEGREE IN ARCHITECTURE

(Proposed M. Arch program- Advanced Design)

M. Arch (Advance Design) Program : The Master of Architecture is a full time two-year professional post graduate degree proposed program of BGSSAP to be approved by the Council Of Architecture, New Delhi. The students are trained in large scale urban projects in the fields of Airport Design, Hospital Design, Housing Design, Urban Design, Sustainable Architecture, New Building Materials and Entrepreneurship.

B. Arch Eligibility

FIVE YEAR FULL-TIME COURSE

The candidates who have qualified the aptitude test i.e. NATA or JEE , with pass percentage in 10+2 scheme of examination with PCM or 10+3 Diploma with Mathematics shall be eligible for admission to B.Arch course for the academic session 2021-2022.

COURSES OFFERED

Ph.D

DOCTOR OF PHILOSOPHY

BGSSAP started the Ph.D program in June from the academic year 2020, offered by Faculty Of Architecture, Visvesvaraya Technological University. The objective of the program is to train the scholars towards in-depth explorations into advanced research and research publications and is appropriate for those seeking careers in research, academic or government roles, management or professional consultation all of which require depth in specialization and expertise.

DURATION

Part -Time candidates for the Ph.D. Degree will be eligible for submission of the thesis after a minimum period of four years from the date of provisional registration, subject to fulfilment of all the prescribed requirements.

Eligibility

1. The candidates shall possess Master's Degree in Architecture / allied specialization or equivalent recognized by the University, with a minimum CGPA of 6.75 out of 10 or 60% aggregate marks at either the Bachelor's or the Master's Degree in the respective discipline.

2. The candidates possessing Bachelor's Degree in Architecture or equivalent recognized by the University with outstanding merit, having either a minimum CGPA of 7.75 out of 10 or 70% aggregate marks and published research papers in refereed journals or filed/ obtained patents shall also be eligible for admission to the Ph.D Integrated degree programme, subject to approval by the Admissions Committee.

3. The candidates possessing Bachelor's Degree in Architecture or equivalent recognized by the University, with 10 years of experience in teaching/research/ professional practice in Architecture shall also be eligible for admission, subject to approval by the Admissions Committee.

4. The candidates pursuing M. Arch. Degree at the University who have successfully completed the prescribed coursework in the first three semesters of study with outstanding merit having either a minimum CGPA of 7.75 out of 10 or 70 % aggregate marks and demonstrated good research aptitude shall be eligible for up-gradation to the Ph.D. Integrated Degree Programme, subject to approval by the Admissions Committee.

BGSSAP

BGS SCHOOL OF ARCHITECTURE AND PLANNING

bgssap.edu.in

BGSSAP offers an opportunity for students who want to develop a vision towards sustainable design. This enhanced pathway with an extensive network of faculty team will help students to pursue, improve and develop their skills in architectural design, contributing to the creation of a sustainable built environment as responsible and sensitive global citizens. We seek to cultivate in each student, the skill and passion to work sensibly by providing a creative environment.

COURSE SYLLABUS

SEMESTER I
-Architectural Design - I
-MMBC - I
-Architectural Graphics - I
-Basic Design & Visual Arts
-Building Structures - I
-History of Architecture - I
-Model Making Workshop
-Communication Skills

SEMESTER II
-Architectural Design - II
-MMBC-II
-Architectural Graphics - II
-Basic Design & Art Appreciation
-Building Structures - II
-History of Architecture - II
-Site Surveying & Analysis

SEMESTER III
-Architectural Design - III
-MMBC-III
-Climatology
-Computer Applications - I
-Building Structures - III
-History of Architecture - III
-Theory of Architecture-I
-Elective I -
  -Architectural Photography
  -Vernacular Architecture
  -Visual Communication

SEMESTER IV
-Architectural Design - IV
-MMBC - IV
-Building Services- I
-Computer Applications - II
-Building Structures - IV
-History of Architecture - IV
-Theory of Architecture-II
-Elective - II
  -Environment Responsive Architecture
  -Product Design
  -Heritage Documentation

SEMESTER V
-Architectural Design - V
-MMBC - V
-Building Services - II
-Sociology & Building Economics
-Building Structures - V
-History of Architecture - V
-Working Drawing - I
-Elective - III
  -Alternate Building Technology & Material
  -Digital Architecture

SEMESTER VI
-Architectural Design - VI
-MMBC - VI
-Building Services - III
-Landscape Architecture
-Building Structures - VI
-History of Architecture - V
-Working Drawing - II
-Elective - IV
  -Culture & Built Environment
  -Geographical Info. system
  -Design of High-rise Buildings

SEMESTER VII
-Architectural Design - VII
-MMBC -VII
-Building Services - IV
-Professional Practice - I
-Specification, Quantity & Costing of Buildings
-Urban Design
-Interior Design
-Elective - V
  -Architectural Journalism

SEMESTER VIII
-Architectural Design - VIII
-MMBC - VIII
-Thesis Seminar
-Professional Practice - II
-Constitutional Law
-Project & Construction Management
-Urban Planning
-Communication Skills
-Elective - VI
  -Research Methods
  -Principles of Real Estate - Development
  -Adaptive Re-Use of Built Form

SEMESTER IX - (16 Weeks)
-Professional Training

SEMESTER X
-Architectural Design Projects (Thesis)

HANDS ON WORKSHOP
Minimum 3 Workshops per semester

SEMINARS
Minimum 3 seminars on Design and Entrepreneurship

FACULTY-LED STUDY TOURS
South India Trip
All India Trip
International Trip
Mandated for all students
