COURSES OFFERED

B. Arch

BACHELOR'S DEGREE IN ARCHITECTURE

Our five year B.ARCH programme provides a stability of theory, design work and professional experience.

Broad-based thoughtful understanding of Architecture is achieved with the help of classroom lectures/ seminars and studios. You'll be skilled by specialists and experts who are at the forefront of their relevant fields.

Your journey in design includes application of knowledge in the studio through a series of design projects of increasing scale and complexity, leading to thesis design in the final year, which covers a range of conceptual, representative, cultural, and technical designs.

We have a strong design studio culture which acts as a laboratory for training your creative and critical ideas and for developing fundamental architectural skills. Group tutorials offer sharing of ideas, review other students' work and initiate the development of your personality as an Architect.

Faculty of Architecture formulates our studios, bringing with them industry ideas and skills from the Architectural practice realm and in-depth inquiry from research and development.

M. Arch

MASTER'S DEGREE IN ARCHITECTURE

(Proposed M. Arch program- Advanced Design)

M. Arch (Advance Design) Program : The Master of Architecture is a full time two-year professional post graduate degree proposed program of BGSSAP to be approved by the Council Of Architecture, New Delhi. The students are trained in large scale urban projects in the fields of Airport Design, Hospital Design, Housing Design, Urban Design, Sustainable Architecture, New Building Materials and Entrepreneurship.

B. Arch Eligibility

FIVE YEAR FULL-TIME COURSE

The candidates who have qualified the aptitude test i.e. NATA, and passed an examination at the end of the 10+2 scheme of examination with PCM or 10+3 Diploma with Mathematics shall be eligible for admission to B.Arch course for the upcoming academic session.

BGSSAP

BGS SCHOOL OF ARCHITECTURE AND PLANNING
bgssap.edu.in

BGSSAP offers an opportunity for students who want to develop a vision towards sustainable design. This enhanced pathway with an extensive network of faculty team will help students to pursue, improve and develop their skills in architectural design, contributing to the creation of a sustainable built environment as responsible and sensitive global citizens. We seek to cultivate in each student, the skill and passion to work sensibly by providing a creative environment.

Affiliated to
Visvesvaraya Technological University,
Belagavi, Karnataka, India.

Approved by
Council Of Architecture,
New Delhi, India.

Recognised by
Indian Institute of Architects
Mumbai, India.

COURSE SYLLABUS

SEMESTER I

- Architectural Design - I
- MMBC - I
- Architectural Graphics - I
- History of Architecture - I
- Basic Design & Visual Arts
- Model Making Workshop
- Innovation and Design Thinking
- Communicative English

SEMESTER IV

- Architectural Design - IV
- MMBC - IV
- History of Architecture - IV
- Building Services- II
- Building Structures - III
- Constitution of India & Professional Ethics
- Computer Application in Architecture - I
- Elective - II
- Universal Human Values and Professional Ethics

SEMESTER VII

- Architectural Design - VII
- MMBC -VII
- Urban Design
- Professional Practice
- Estimation & Costing
- Interior Design
- Working Drawing-II
- Elective - V
- Traffic Awareness & Road Safety

HANDS ON WORKSHOP

Minimum 3 Workshops per semester

SEMINARS

Minimum 3 seminars on Design and Entrepreneurship

FACULTY-LED STUDY TOURS

South India Trip
All India Trip
International Trip
Mandated for all students

SEMESTER II

- Architectural Design - II
- MMBC-II
- Architectural Graphics - II
- History of Architecture - II
- Basic Design & Theory of Design
- Building Structures - I
- Site Surveying & Analysis
- Professional Writing Skills in English
- Scientif Foundations of Health

SEMESTER V

- Architectural Design - V
- MMBC - V
- History of Architecture - V
- Sociology & Building Economics
- Building Services - III
- Building Structures - IV
- Building Information Modelling
- Elective - III
- Physical Education (Sport & Athletics/ Yoga & NSS)

SEMESTER VIII

- Professional Training - 16 weeks

SEMESTER IX

- Architectural Design - VIII
- MMBC - VIII
- Urban Planning
- Thesis Seminar
- Construction and Project Management
- Elective VI

ENTREPRENEURSHIP WEEK

Collaboration with Govt. of India
Intensive one week workshop on being an entrepreneur

AUTODESK WORKSHOP
